

Act today on the Laws of Tomorrow

Which laws, amendments, research, taxes and ordinances are at the heart of the current political debate? In which direction is the debate tending and which viewpoint is the party in power taking? How successful is its public affairs strategy? Parliament Monitoring, including sources from the European Union, sheds light upon policymaking. With it you receive a probing insight into the political process – before final resolutions are passed. Our **exclusive access for German Parliament Monitoring** assures governmental transparency and increases your options when weighty governmental decisions are made that affect your business. Your benefits:

The Basis

- | Petitions, resolutions, records of proceedings, and questions and comments from the German Bundestag, the Bundesrat, and the 16 state parliaments
- | **NEW:** Regulations, ordinances, rulings, enactments, memoranda from agencies and institutions of the European Union, the EU Commission, the EU Parliament, and the European Council.

The 24-hour Research

- | The most modern search engine technology will scan any and all printed matter according to your outlined thematic parameters 24/7/365

The comprehensive Reporting

- | Once daily you will receive a record of each individual hit in an email, including comprehensive information about the source's length, its character-count, etc. Additionally, each hit will include a link to the entire document and a small preview of the part in the article in which the keywords were found and a small preview of the part in the article in which the keywords were found.
