

Get the key facts from around the world

Companies that operate on a global scale need updates about their **international** media impact on a daily basis. If you want to get a **head start on the information**, book our **Press Review International** service, which provides daily monitoring of 1,100 of the most important daily and financial print media from countries of your choice. Have us tailor a package suited to your individual needs:

- ☒ Select your own individually tailored media list
- ☒ Whether **daily**, **weekly** or **for an unlimited period** – the length of the monitoring period is determined according to your individual requirements
- ☒ Your **clippings** are delivered to you **by email**, depending on German copyrights – **daily from 10:00 a.m.**
- ☒ **New: On request we deliver your results via FTP server**
- ☒ The results can optionally be viewed in our **AUSSCHNITT Portal** anytime or anywhere. The web-based solution offers you digital clippings and media-related data. The Archive module is inclusive.
- ☒ If you want to view and communicate the media impact of your topic even faster, ask about our **Press Summaries** service. That way you can have our editorial staff **condense** the **key facts** and **arguments** of your reports to give you a quick overview of the main content. All summaries are provided in the language of your choice - whether it be the original language of the articles or your native language.

We are happy to send you the detailed media program Press Review International. We would be happy to help you optimise your PR evaluation and can provide information on other solutions for monitoring, analysis, editing services and reporting of classic media and social media.
